a message from the SUPERINTENDENT

To the Students of Plymouth North High School,

I find myself composing this message to you after attending a Dr. Martin Luther King, Jr. breakfast hosted by the Plymouth No Place for Hate Committee. Dr. King was a significant leader of the civil rights movement, a dedicated humanitarian, and one of the most compelling speakers of our time. There are countless lessons we can learn from his life: the importance of forgiveness, serving others, and the value of all people just to name a few.

After the keynote speaker's presentation, one of the audience members talked about the importance of showing up for one another. Her words reminded me of this year's District theme, *Together*. It takes everyone (staff and students) to build our community. Sometimes students may get into the mindset that they don't matter or that their presence isn't important, but that couldn't be further from the truth. *Together* is about showing up for one another. While showing up means to be present, it's really about being present for what's most important. It's about showing up for your family and friends when they need you the most. It's about showing up for yourself every day and pursuing your goals and passions at school, even when times are tough.

Dr. King had many struggles in his life and overcame many hardships. He suffered from depression in his youth. Even as an adult, he experienced several bouts of severe depression. He kept his incidents with depression a secret due to the mental health stigma at that time and the concern his opponents would use it against him. Despite his struggles, despite living his life under the constant threat of harm, Dr. King never wavered in his convictions. Even when Dr. King was most discouraged, he kept moving forward because he knew there was really no other choice. He also encouraged others to do the same. *"If you can't fly then run. If you can't run then walk, if you can't walk then crawl, but whatever you do you have to keep moving forward."*

I can't tell you what twists and turns lie ahead, but I can tell you from personal experience that while time is linear, your life doesn't have to be. Even in less tumultuous times, education (and life in general) can be a struggle, but hopefully, through these struggles, you learn a little bit more about yourself and can come to a path of deeper understanding.

I hope the contents of your yearbook bring you very fond memories of your time at Plymouth North High School. Please know that we are always here for you.

Sincerely,

Chris Campbell

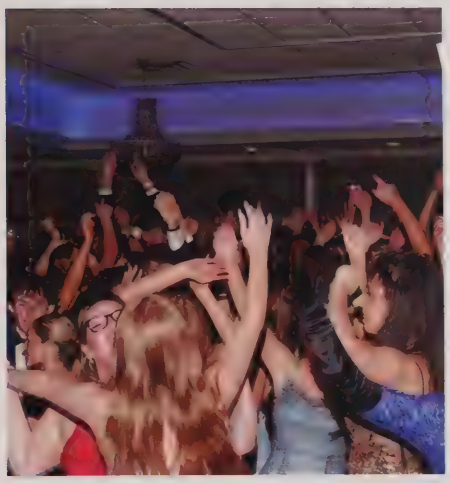
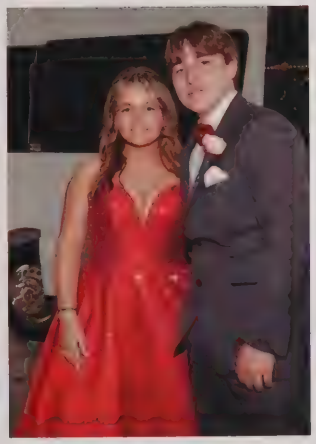
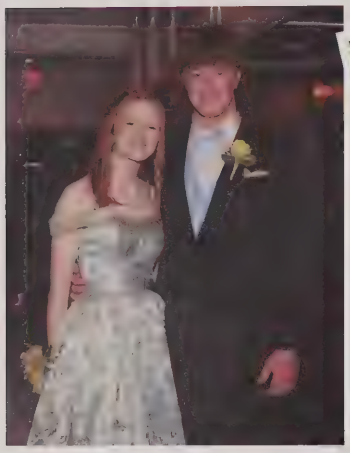
JUNIOR PROM

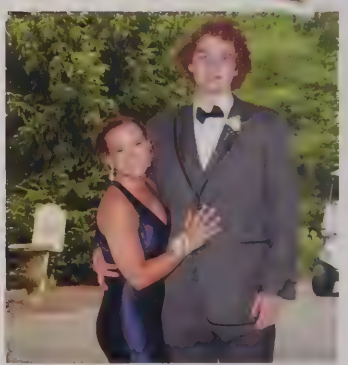
PNHS Juniors had a magical night under the stars at Lake Pearl on May 27th, 2022. Enjoying the last few months of their junior year dressed up, they all danced the night away

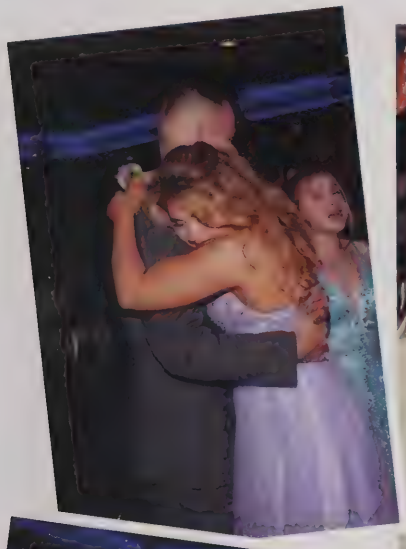
HEARTBREAKER

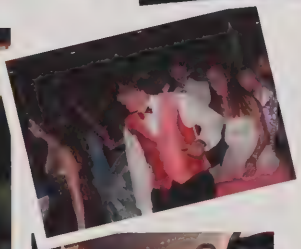






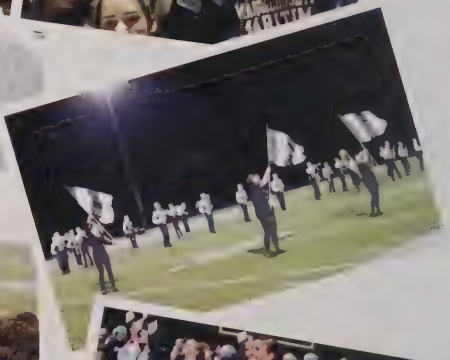


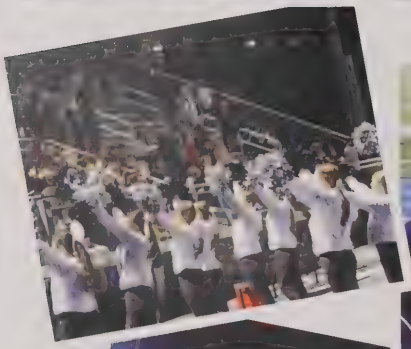


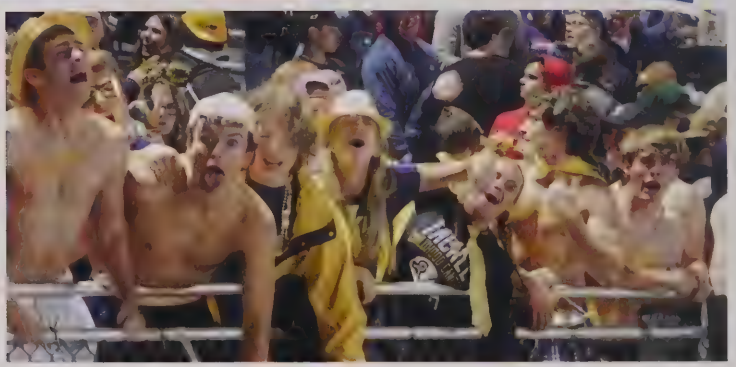


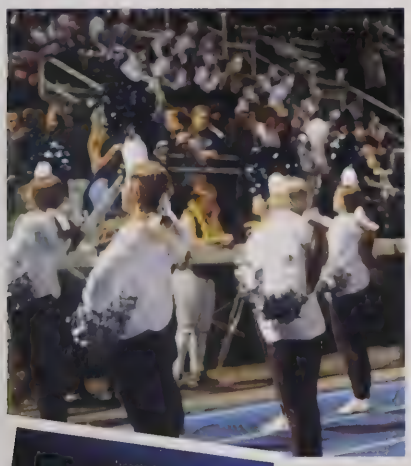
HOMECOMING GAME

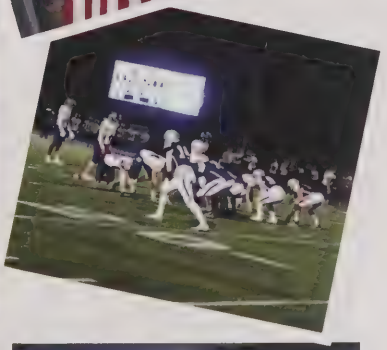
The Homecoming game took place on September 22nd, 2022 against Pembroke, and lost 26-35. The students showed up and showed out in their gold outfits to cheer on the team.





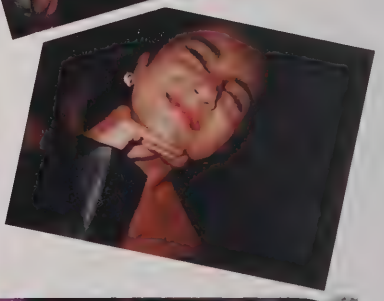


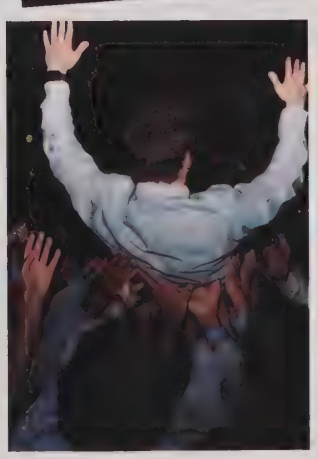


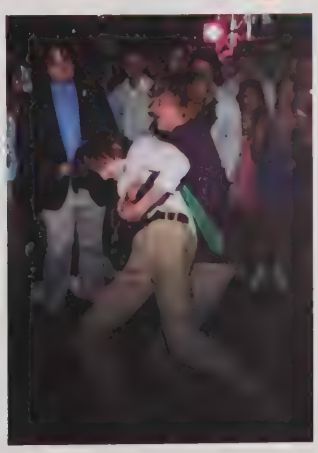


HOMECOMING DANCE

This year's Homecoming Dance was on September 23rd, 2022 the Friday after the Homecoming Football Game. Students danced the night away in the courtyard with friends and taking lots of photos in the photo booth. A highlight of the night was the crowning of the court and finding out the Homecoming Queen: Breanna Guiliani and Homecoming King: Nick Rodden

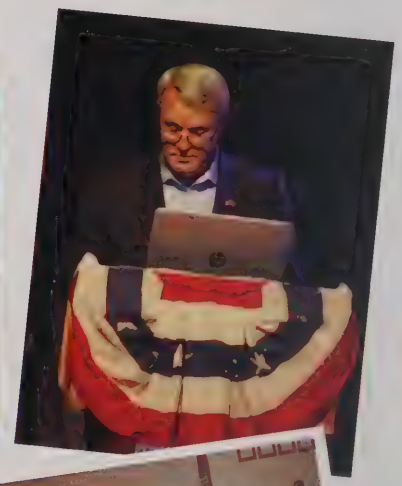


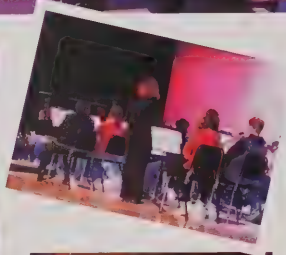


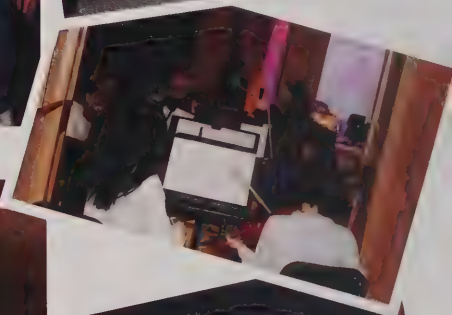


VETERAN'S DAY

The Veteran's Day Assembly put on by the History Department and Student Council celebrated the Veterans in our community and their families for their service.

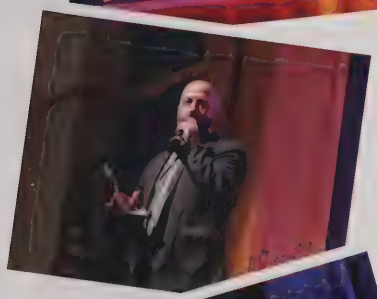


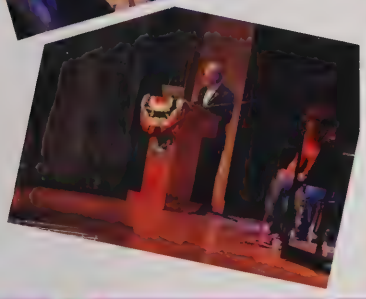


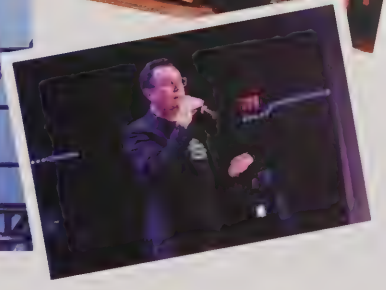


INTERNATIONAL A CAPELLA

A celebration of the music and culture of Plymouth, Massachusetts and Plymouth, England. Students from both countries performed both individually and together!

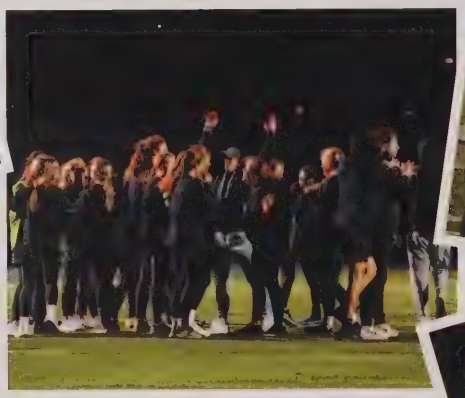


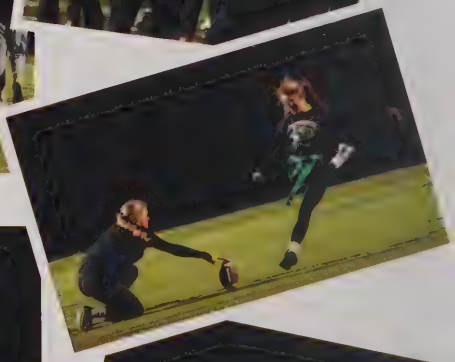


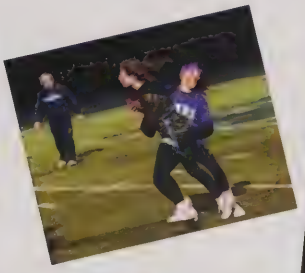


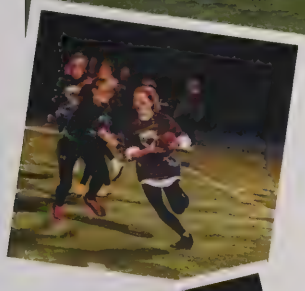
POWDERPUFF

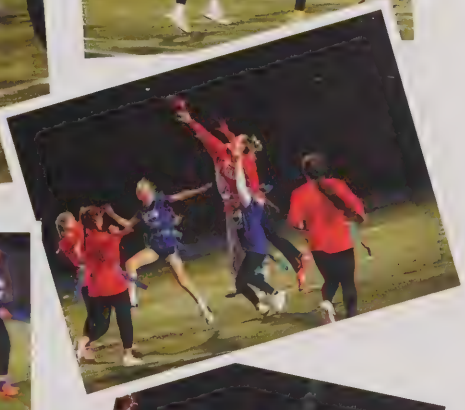
The Annual Powderpuff Games took place on November 10th, 2022 and was put on by Student Council. This year each grade fought hard for the title, but the final game was between the Seniors and the Juniors to see which grade would take home the win. Seniors won the championship game!

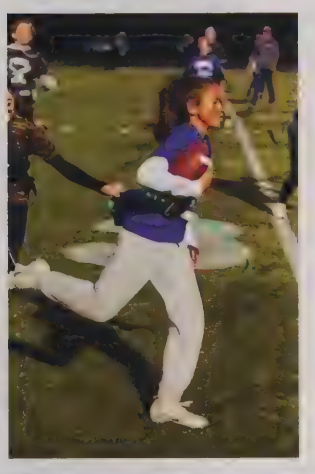


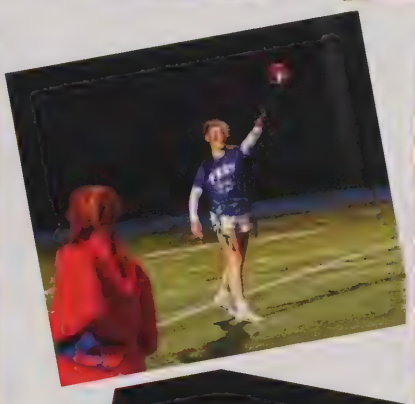


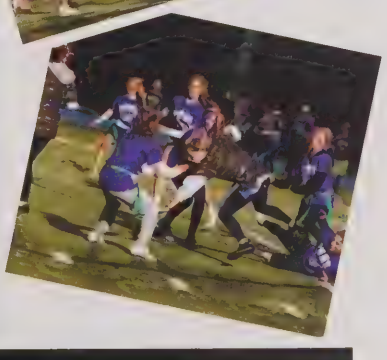


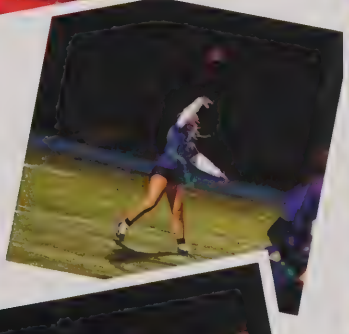












SPIRIT WEEK

Students and faculty were seen throughout the halls dressed for "Anything but a Backpack" Day, Flannel Day, Jersey Day, Gold Day, Neon Day, 70's Day, Crocs Day, Pajama Day, Ugly Sweater, and of course Plymouth North Pride. Many people went above and beyond to show their school spirit.

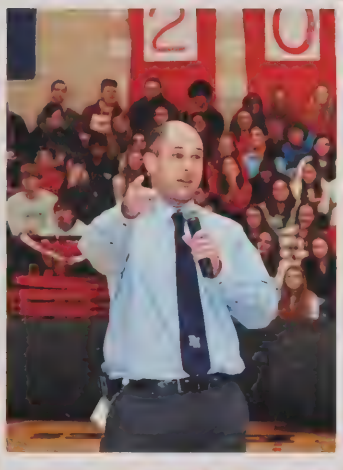
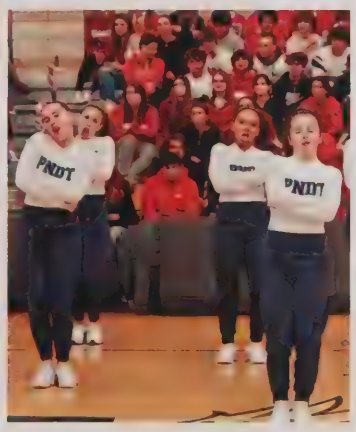
PEP RALLY

A time for all students to gather together before the Thanksgiving Day game to help give support and luck to the football team. It's a great way to encourage school spirit by coming together in support of sports teams at our school.





THANKSGIVING GAME

The Thanksgiving football game is always a day to look forward to, for it brings students together to support our school on a day of thanks. Playing against our rival, Plymouth South, is a good way to near the end of the season. Unfortunately, South took home the trophy this year, but it was a great game that brought the community together.

Now Is The Time

If there's something special you want to do, now is the time. If you want to make a difference in the world, now is the time. Don't be fooled into thinking you should wait until you are older or wiser or more "secure," because it doesn't work that way. The wisdom will come. The security will come. But first you must begin your adventures.
